

At Wirtzy Specialties we are actively developing, manufacturing, and packaging exceptional products for private labeling. We feature a listing of established stocked products, are continually expanding our library of offerings, and also have the ability to custom engineer products for your specific needs.

We are committed to using natural and environmentally safe components. All products manufactured by Wirtzy Specialties are done in accordance with good manufacturing practices and quality assurance guidelines which enable us to guarantee the consistency and quality of our products.

Private label any of our stock items or have our technical staff custom blend or formulate products for your specific needs. Your brand name is our core business; with that privilege we place customer satisfaction and service as our highest priority.
